

Review of [Blind Date Bangers](#)

Introduction:

Blind Date Bangers is a [Reality Porn](#) site. Let's face it, everyone has had a well-meaning friend, sibling, or co-worker set them up on a blind date at some point or another. At BlindDateBangers, they make sure that the dates always work out well and the guy always gets rewarded for putting in an hour listening to some hot girl talking up a storm. You'd be surprised how easy it is to listen to a hot girl talk about nonsense when deep down your cock already.

Review:

Each of the 30 exclusive scenes at [BlindDateBangers](#) follows a similar format: A guy and a gal meet each other for the first time, they go on a brain-dead date, and then they fuck each other's brains out... truly the perfect blind date. Each of the scenes is about 40 minutes long. The first half of each scene is like watching reality television, with the cameras following the couple around while they get to know each other. If you like those kinds of shows you'll find this stuff very funny and if you don't like them then you'll more than likely find yourself fast forwarding to the second half of the scene, when the fucking starts.

Each [BlindDateBangers](#) scene is available as a full .wmv download in a single resolution (newer are at 480 x 360, some older scenes use 320 x 240), or a .wmv stream in three different resolutions. If you're only interested in a portion of the action, or still on dial-up, they also have each scene divided into a storyboard of 1 minute chunks that you can stream in 3 different resolutions.

You can download all of their movies if you want but they do have a download limit of approximately 1GB per day. Make sure to check out the storyboards and the streams before you download the full scene. If you go over the daily limit you'll still be able to stream the vids and look at the pics, so you can plan your [BlindDateBangers](#) downloads for the next day. The good news is that at least there's no DRM so whatever you download is yours to keep forever.

Each scene also has pics available. Older scenes just have vidcaps, but the newer updates also have a lot of high quality digital pics. Some picture sets include hundreds of high-res images suitable for slideshows or browsing offline.

In addition to the 30 exclusive [BlindDateBangers](#) scenes, the site also offers 11 additional picture and video sets of brand name whores as well. Unfortunately the site was last updated in May 2006, which is one hell of a dry spell so it seems these 41 scenes are all they plan to put on it but you also get full access to a huge mega-network of other sites that do update daily.

Your membership includes full access to these 24 networked sites: [BarefootManiacs](#), [BigCockTeenAddiction](#), [BigLeagueFacials](#), [BigTitPatrol](#), [BusStopWhores](#), [CastingCouchTeens](#), [CollegeTeensBookBang](#), [FilthyFredAmateurs](#), [GiantsBlackMeatWhiteTreat](#), [HornySpanishFlies](#), [ISpyCamelToe](#), [LesbianTeenHunter](#), [MrBigDicksHotChicks](#), [MrChewsAsianBeaver](#), [NastyMovieMadness](#), [PimpMyBlackTeen](#), [PleaseBangMyWife](#), [RoundMoundofAss](#), [SeeHerSquirt](#), [TeenyBopperClub](#), [TheBigSwallow](#), [TinysBlackAdventures](#), [XXXAction](#), and [XXXProposal](#).

There are more than 3,000 scenes in this network and more than half of them are exclusives. Even if only a few of these sites interest you, the \$4.95 three day limited trial won't be of much use, since it will take you significantly longer to view all the content (and about a year to download it all considering the daily limit). So go for the full monthly membership because overall you can't beat this deal with such a huge network priced at only \$29.98 monthly.

[BlindDateBangers](#) is one date that actually may make you go blind.... from jacking it.
