

Review of [BrunoB Reloaded](#)

by the Stroke King's [Adult Reviews](#)

Introduction:

BrunoB Reloaded is a [Reality Porn](#) site. Bruno B is one lucky bastard. This dude figured out that if he paid chicks to let him fuck them on camera (in turn making them porn stars) that he could get all the hot trim a guy could dream of. This stupidly simple plan worked when he launched his own website and now Bruno is back with a bigger budget on his second site BrunoBReloaded!

Review:

Bruno was tired. Tired of going to bars and buying chicks drinks all night only to go home alone and jerk off, so he decided to change his game plan. Instead of spending his cash on drinks for college girls that didn't put out, Bruno invested his money in sluts that would fuck him for money. Add a camera to that mix and wa-la...Bruno's a boner-fied stunt cock. If you want to see hot English and French Canadian pussy take a pounding from the one and only Bruno B, direct your web browser to [BrunoBReloaded](#).

[BrunoBReloaded](#) enters the porn arena with 50 videos of English chicks having their chambers challenged and another 50 of French Canadian chicks taking one for the team. All scenes are offered in 3 quality ratings. There is low speed, high speed and high speed DVD quality. The DVD quality is best, but it will require a high-speed line to download it quickly because the full clip means you are looking at approximately 350MB as a single file.

The lower resolution files average about 230 x 160 so once again, you will see some blurring and pixilation when enlarged. The average file size of these smaller clips is about 12MB so they are relatively dial-up friendly. Scenes are offered in both .wmv and .mpeg making the site both PC and MAC friendly. If you are interested in the DVD quality clip, be aware that it is only offered as a .wmv file.

[BrunoBReloaded](#) offers members full length and exclusive content. Scenes are a bit on the short side averaging about 14 minutes each. But Bruno has so many scenes posted that you will have

instant access to over 25 hours of pussy pounding action starring amateur Canadian gash instead of the same tired old retreat pornstars you see on so many other sites.

[BrunoBReloaded](#) has designed a nice site. Each page consists of 5 videos for which there is a description, length of scene, the number of still photos that accompany the scene and the name of the budding starlet that Bruno lays pipe to. The still photos are hi-res (720 x 480 pixels) and all available for downloading.

[BrunoBReloaded](#) is part of the PornstarNetwork of websites and this is great news to new members. When you join [BrunoBReloaded](#), you will instantly gain free access to 25 other hardcore sites found in their web ring. [ILoveItBlack](#), [BigWetAsses](#), [FlirtyPussy](#), [FuckThatAsian](#), [CoverMyFace](#), [OnlyDP](#), [DeepInCream](#), [GirlyGangBang](#), [FeetFrenzy](#), [SpermCocktail](#), [HardcoreGangstas](#), [TheLuckyMan](#), [RealSquirt](#), [BangMeBoys](#) and [SwallowSquirt](#) are just small sampling of the sites that you will have access to with a full membership.
