Introduction:

Cheating Mommies is a [Milf](#) , [Mature](#) site. These hot and horny stay at home moms are bored out of their minds. What better way to break the monotony than with a good fucking from a stranger? They prowl the neighborhood looking for young and hung stunt cocks to satisfy their insatiable appetite for a mature pussy pounding.

Review:

When you've been pent up inside like these horny moms have been, and you get a chance to get out for a while - there are no rules to the fuck fest that unfolds. These [CheatingMommies](#) go all out when they finally get the fuck they have been waiting for. Older, wiser and hornier than their husbands Viagra can keep up with, these [CheatingMommies](#) fuck like its their last chance to cum. These moms will do anything to get a chance at some fresh meat. Middle aged and cock crazed there is nothing like Milf in heat.

Launched 4/11/07 [CheatingMommies](#) is a brand new site. With 20 videos already loaded, you can see how easy it is to find horny housewives in need of a good ass ramming. All this MILF madness can be downloaded as either a HighSpeed DVD quality video file, a HighSpeed standard video file or a LowSpeed video file. The HighSpeed DVD quality file is going to give you the best possible image but you must download the whole scene as one large clip. As such, these files are rather large and can average over 300MB each, making a broadband connection necessary.

The HighSpeed Standard video quality is very good and averages about 320 x 240. When watched normal size you will feel like your fucking these [CheatingMommies](#) the image is so clear. If you choose to enlarge the video during viewing, you will experience some blurring and slight pixilation the larger you go. The high-speed video files average about 25 MB each and are downloaded with a broadband connection very easily.

The lower resolution files average about 230 x 160 and are available in a variety of formats. You can choose to download these clips as 56 KBPS and 128 KBPS for the .wmv files and 350 KBPS for the .mpeg file. This selection caters nicely to dial-up users. These lower resolution files are ok when watched at their normal viewing size. If enlarged, there will be some noticeable pixilation and blurring. The average size of these smaller clips is about 12MB so they are small enough to be handled by a dial-up connection. All videos are offered in both .wmv and .mpeg format which should satisfy both Mac and PC users.

[CheatingMommies](#) content is full length and exclusive. Scenes vary in length with an average of about 20 minutes each. For a new site, there is already over 6 hours of [CheatingMommies](#) getting their groove on. The site is also well designed and super easy to navigate. Each page contains 5 videos available for download. For each video, there is a brief description the scene, its run time, the names of the stars featured in the scene, and how many hi-resolution photos accompany the clip. The still photos are presented at 720 x 480 pixels, you can see just how stretched these MILFs asses get.
