Introduction:

Couples Seduce Teens is a [Reality Porn](#) , [Teen](#) , [High Def Porn](#) site. In this day and age it's sometimes not so easy to convince otherwise stupid whores to fuck strange men on film. So the people behind Couples Seduce Teens figured out a better way to recruit by using a hot smooth-talking couple to meet and break in the new sluts. And this is a win/win for us viewers, because we get see two chicks please one lucky stiff.

Review:

At [Couples Seduce Teens](#), you will find 133 exclusive scenes that all feature two hot sluts pleasing one lucky stiff. All of the scenes revolve around convincing a young whore to join an eager husband and wife in a sexy girl/girl/boy threesome. Most of the scenes begin with a few minutes of reality-styled acting and dialogue to setup the scene's premise. Thankfully none last too long and the real fun begins. One of the more amusing CouplesSeduceTeens.com episodes features perky brunette Riley Winter who plays with a couple's puppies in a park. A few minutes later, she's back in the couple's apartment and having her titties sucked as she's getting rammed from behind. Hooray for whores!

All new videos at [Couples Seduce Teens](#) are available as high definition downloads. The HD format used is a 1068 x 600 .wmv file that has been encoded at a rate of 3.68Mbps. This is a great looking video that you don't want to miss. But for those who need to conserve hard disk space or have a slower Internet connection, there are four other available file sizes that you can also download. The downloads are available as a single large file containing the whole movie, or segmented pieces. All CouplesSeduceTeens.com downloads will be yours to keep since no DRM is used. Most videos are about 30 minutes in length, and all are also available as streams from directly within your browser. A new episode has been uploaded to the site weekly, and the oldest content is dated from 2005. So you can expect to see a nice mix of new talents as well as some older familiar faces.

The members login page is nicely designed. You'll quickly find the latest [Couples Seduce Teens](#) video right in the middle of the page, complete with supporting preview pics and a short description. A search bar is located at the top left of the screen, so you can quickly find out if your favorite porn slut made an appearance on the site. And if she hasn't, you can use a conveniently placed form right beneath the newest update to make your case directly to the site's webmasters.

The rest of the exclusive content is organized in a grid that features the 12 most recent episodes. Each

CouplesSeduceTeens scene is represented by a single thumbnail showing the scene's star, her name, as well as some icons that tell you what kind of content is available. Not all scenes feature downloadable videos, and these icons mark which are. Only the younger slut is identified, the older "wife" is not. You can surf to the scene's videos and picture pages from this location.

A one month membership will cost you \$29.95 with either a major credit card or online check. This type of full membership to [Couples Seduce Teens](#) will also grant you access to 23 additional porn sites that also feature exclusive HD content in the most popular porn niches available. The CouplesSeduceTeens.com search feature works for all sites contained in the network, and the chances are pretty good that your favorite girl appears on more than one site. As mentioned before, not every scene is downloadable, but first month members are subject to a 24 episode download limit. If your CouplesSeduceTeens membership renews for another month, that limit will be upgraded to 48 scenes, and stay that way for every additional month you remain a member.

There are a few cheap trial membership options that are also offered, but I don't recommend any of them. Trial members are not allowed to download any of the content, and are also not able to access all of the network websites. And if you don't cancel before it ends, or like the site and let it auto-renew into a monthly membership, the monthly cost is raised to \$39.95.
