## Review:

[ExtremeHolly](#) is over top. Not for the faint of heart, this girl loves to be violated in some crazy and kinky ways. Magic markers, carrots and their peelers, baseball bats, they all make Holly's list of things to fuck herself with. But don't think for a second that she doesn't like to get pounded by good old-fashioned hard cock as well! Holly can take it huge up the ass like the true porn whore that she is. She also takes some of the hardest face fucking ever filmed. No smut collection is complete without some [ExtremeHolly](#).

The last video posted by Holly was 9/9/2007 so it seems her site is no longer updating... but it also might be that her pussy and ass just needed some rest and recovery time after the way she has had them pounded out! There are already 120 videos posted to her kingdom of kink and these will easily keep you busy for over 40 extreme hours of debauchery.

The [ExtremeHolly](#) video catalog dates back to 2004 so over the three years you will see the video quality progress from so-so to pretty good. All files are available in .wmv format only and they are offered as low-resolution clips for dial-up users and high-resolution clips for broadband users. The low-res files run about 20MB each versus the hi-res files that hover around 60MB each. Broadband users that want a quick download time will find that the low-res files download super fast and produce an OK image for a quick fix.

[ExtremeHolly](#) is part of the [Extreme Girl Network](#) so expect some pretty wild things from the included bonus sites as well. In addition to all this, don't forget to check out the still image galleries that accompany each and every scene in the [ExtremeHolly](#) collection. These shots capture all the kink at a resolution of 750x1000. These images are so clear that you can count how many fillings Holly has as she is being fish-hooked by the stunt cock that is busy fucking her up her leather love hole.

Once you select a scene for download, you will see numbered clips filed according to your internet connection speed. Just right click on the file of your choice it's saved to your hard drive.

The cost to join the [Extreme Girl Network](#) is \$29.86 a month.
