Review:

Place an ad in various college newspapers saying you're looking for models and actresses to audition for a part in a movie and it's amazing how many hotties will fly in for a tryout. What they don't know is that they will wind up sucking on cock for their first foray into the business of adult entertainment. These chicks are out to show off their stuff and they suck and fuck like it's their only chance at winning a golden statue award or something.

With over 185 videos locked and loaded its amazing how many hot chicks think they have what it takes to break into the entertainment business. Lucky for you all this first time action is captured on tape at [FirstTimeAuditions](#). There is over 108 hours of material posted for your viewing pleasure. All of these clips can be downloaded and saved to your hard drive or watched right in your browser as streaming content. The video quality is pretty decent as well. Most of the movies have a normal viewing size of 480x320, which is sure to get your cocks attention. If you choose to expand this image to full screen you will see some pixilation and blurring.

Catering to users of both broadband and dial-up internet connections, movies on [FirstTimeAuditions](#) are segmented into two different file sizes. There are 'big clips' that average about 60MB each and are geared toward the broadband users'. Then there are the one-minute clips, that average about 10MB each and these are intended for the dial-up users. The big clips are available as .wmv files only, but the one-minute clips can be downloaded as either .wmv or .mpeg files.

As a production of the RealityKings, when you join [FirstTimeAuditions](#) you will be granted unlimited

access to over 20 other sites in their network. They update at least 2 of their sites every day, so there is always a ton of new porn available to you through the course of your membership.

All this can be yours for the low monthly rate of \$24.95 (recurring). There is an extensive tour offered if you want to whet your whistle or stroke your cock to some preview action. If you want to see more there is a 3-day trial offered at a rate of \$4.95 but this will recur at \$39.95 if not promptly cancelled. It makes more sense in the long run to go with a full month of membership and at the end of that, decide if you want to stick with it or not.
