## Introduction:

I Love It Black is a [High Def Porn](#) site. Some chicks can't get enough black cock in them. ILoveItBlack is dedicated to helping these cock hungry whores fill their holes with all the ebony ramrod action they can take. Watch these dark knight stunt cocks fuck everything from bleached blondes to hot Latina tamales to Nubian goddesses.

## Review:

These girls want black cock and they are about to get it. Director Bobby Manila has gathered together a troupe of stunt cocks that are as black as night, tattooed and built like they just got out of prison. You wouldn't let these guys in your house to check your water meter, but these sluts spread their legs wide and invite them right in. And these guys don't discriminate. They fuck white girls, Asian girls, black girls it don't matter. They fuck 'em doggie style, two at a time, up the ass, in their twat, it don't matter, it all good. These girls get treated like the fuck sluts they are on [ILoveItBlack](#).

[ILoveItBlack](#) represents with 44 videos available to members. The video quality is decent, with the high-speed video average about 350 x 240, which is ok, but there is some blurring when watched full screen. These files run about 25 MB each so your download time is easily managed with a broadband connection.

The lower resolution files average about 230 x 160 so once again, you will see some blurring and pixilation if enlarged. The file size of these clips averages about 10MB so dial-up users will benefit from these smaller files. Some of the scenes are offered in DVD quality as a complete download but be forewarned, the files are huge averaging about 350MB each. Scenes are offered in both .wmv and .mpeg making the site both PC and MAC friendly, but the DVD quality downloads are only available as a .wmv file.

[ILoveItBlack](#) offers up full length and exclusive content so the material should be new to you. Scenes average about 30 minutes each, so there is over 22 hours of smut ready to download. [ILoveItBlack](#) offers scene descriptions, scene run times, names of the scene stars and picture counts for each and every scene on the site making navigation a breeze. Even better news is that no DRM encoding is used so your downloads are yours to keep.

[I Love It Black](#) has included hundreds of hi-res photos into their package of porn. All the photos are presented at 720 x 480 pixels so you can get a really good look at how stretched these girls pussies are as they get pummeled by huge black cock.
