

Review of [XXX Proposal](#)

by the Stroke King's [Adult Reviews](#)

Introduction:

XXX Proposal is a [Reality Porn](#) site. Imagine that you're struggling to make ends meet and a mysterious stranger offers you a lot of money to fuck her in front of you. Would you take the money and tell her to have fun, or would the two of you just run? See how it all goes down.

Review:

So you and your girlfriend are out and about, having a good time, when a strange man approaches you and offers you a lot of money if he can fuck her. And not only does he want to fuck her, but he wants you to watch it. What do you do?

That is the [XXXProposal](#) played out in 83 exclusive episodes! This site plays off of the cuckold fetish, but it's really cuckold-lite. The guy watches the action and pretends to be upset, but the pair is obviously not a real couple. Either way, a hot slut is getting fucked good and hard, so you'll still enjoy watching.

Each of scenes has a long intro where you can watch the scenario unfold. The full movies are available as a .wmv stream in three different speeds. If you're not into bad acting, and prefer to get straight to the fucking, then the full scene is split up into 60 second clips that can also be streamed in one of three different speeds. The clips are setup as a storyboard so you can get right to whatever action you like best.

You can also download the full length videos in a single .wmv format. New videos are in 480 x 360, but most are smaller. DRM is not used on the site, so you can watch your favorite [XXXProposal](#) scene over and over. But keep in mind that it will take you a long time to download all of them, because the site has a 6 scene download limit for each 24 hour period.

Each [XXXProposal](#) scene also has companion pictures. Most have digital quality scans in 600 x 400 resolution, though some of the newer episodes use a much nicer 900 x 600 format. All scenes also have vidcaps of the full length movie, so you can follow the action before you decide to download the whole thing.

The site has a very clean presentation and it's easy to move from one episode to the next. New content is uploaded to the top of the members area, and every episode clearly gives you the name of the slut and the date she got fucked.

Full membership will currently set you back \$29.98 per month if you join with a credit card. If you're afraid of commitment you can also choose to sign up for a 3 day trial for \$4.95, but trial members are not granted access to the exclusive network of sites that full members get to enjoy. The network list is currently [BlindDateBangers](#), [ISpyCamelToe](#), [BusStopWhores](#), [RoundMoundofAss](#), [TinysBlackAdventures](#), [BarefootManiacs](#), [HornySpanishFlies](#), [MrChewsAsianBeaver](#), [BigTitPatrol](#), [BigLeagueFacials](#), NastyMovieMadness, [LesbianTeenHunter](#), [PleaseBangMyWife](#), [CollegeTeensBookBang](#), [BigCockTeenAddiction](#), XXXAction.com, [GiantsBlackMeatWhiteStreet](#), [MrBigDicksHotChicks](#), FilthyFredsAmateurs, [SeeHerSquirt](#), [TheBigSwallow](#), [CastingCouchTeens](#), and [PimpMyBlackTeen](#).
